Hat Draw - £75 Amazon Voucher

### The Jalopy...

The Jalopy can be made of any publicly available material or be an existing wheeled item but must be self-propelled – **no engines, jet packs, rockets or other form of propulsion are allowed!** The Jalopy **must transport at least one person** from the Village Hall to the Recreation Ground. Entries with a theme will attract more attention and hopefully more votes from the public, so don't hold back on the decoration of yourselves or your Jalopy! The registration fee is £8, reduced to £5 if received before 25th June 2017. When your registration is accepted, you will be given a number to display on the Jalopy. **Your Jalopy needs to be registered and displaying its registration number** to enter the competition!

### The Route...

The Jalopy Parade will leave Otterbourne Village Hall car park at **1:30pm on Sun 25th June 2017**, process down the (closed!) main road, into Oakwood Avenue and arrive at Otterbourne Recreation Ground from 2.00pm onwards.

### The Competition...

Once at the Recreation Ground, the karts will be on display throughout the afternoon. The public will be able to buy raffle tickets to vote for their favourite Jalopy. **The 3 Jalopies with the highest number of raffle tickets in their official collection box by 4.30pm on 25th June 2017 will win the corresponding amazing prize listed above and one other lucky Jalopy will be drawn from a hat to win the 'hat' prize!** All monies collected will go to St. Matthew's Church.

*By registering, you accept responsibility for the safety of the person(s) transported by your Jalopy.*

*The organisers of this event accept no responsibility for the property or safety of people taking part in or supporting this event. The organisers decision is final.*

**Save 37% - register your Jalopy before the day for just £5!**
